

Top 25 Clinic Services

As of July 1, 2022

In 2019 Minnesota Legislature passed MN State Statute 62J.812 requiring clinics to report information on their top 25 most frequently billed services billed at an amount greater than \$25. The services listed do not reflect all services provided at Appleton Area Health.

*All inclusive rate is a single payment for all services on that particular visit.

The amounts listed do not reflect the amount each patient will pay for the services provided. For more specific information about the amount you will owe for the services you receive, please contact your health insurance company.

Patients covered by commercial health insurance or a Medicare Advantage Plan: Your health insurance company has likely negotiated a discount or contracted rate for each service. Your health insurance company's negotiated price might be higher or lower than the average commercial payment listed. To learn more about your health insurance company's negotiated price or how much you will owe under the terms of your specific health policy, please contact your health insurance company.

Patients with government sponsored health coverage, such as Medicare or Medical Assistance: The payment rates listed reflect amounts set by Medicare or Medical Assistance, not by Appleton Area Health. These listed rates do not reflect the amount you might owe as a co-payment.
