

Annual Winter Gala Cancelled

After careful thought and deliberation, the Appleton Area Health Foundation Board of Directors has made a difficult decision and will not host the annual AAH Foundation Gala this year. "We are deeply appreciative of you, our sponsors, donors & friends who have made our fundraisers successful and memorable each year. The health and well-being of the community is our top priority and with the social distancing recommendations in place, we feel it necessary to forego hosting this event and do our part to help prevent the spread of serious illness."

They ask you to consider making your sponsorship and/or event ticket a gift to the Appleton Area Health Foundation. Now more than ever, quality healthcare in our communities is indispensable and the Gala is a major fundraiser. The AAH Foundation has helped to purchase tub units, air handling units, a handicap accessible door, X-Ray equipment and so much more, all of which benefit local healthcare needs.

They recognize that some sponsors and donors may be experiencing difficult financial times and that the above request may not be possible. If you would like a refund of your sponsorship or event ticket, or if you would like to exchange the cost of your event ticket for remaining Raffle tickets, please email your request to amolden@aah-mn.org or call 320.289.8504 (direct line). Your refund will be issued within 30 days. Sponsorships and event tickets that are not refunded prior to July 20, 2020 will be considered a donation and will not carry forward to next year's event.

The raffle drawing will be held on July 31, 2020.

Thank you for supporting your local health care!
