

## **Position**

Appleton Area Health is currently seeking a Licensed Practical Nurse or Certified Medical Assistant to work in the Clinic assisting providers. Duties include rooming patient, taking patient vital signs, collecting blood and other specimens, and giving vaccinations and injections. The LPN/CMA will perform miscellaneous clinic duties in connection with referrals, appointment scheduling, management of patient medical records, and ordering medical and office supplies.

## **Education/Experience/Credentials**

- Must be, as a minimum, a graduate from an LPN or CMA training program and possess a current license/certificate in the state of Minnesota.
- CPR certification (or willingness to obtain)

## **Values**

Extraordinary teamwork, compassionate relationships, and professional excellence for the good of those in our care.
