

Care Center Receives 5 Star Rating

Appleton Area Health is proud to announce that we were recently recognized by the Centers for Medicare & Medicaid Services as a 5 Star facility!

CMS created the Five-Star Quality Rating System to help consumers, their families, and caregivers compare nursing homes more easily and to help identify areas about which you may want to ask questions.

The Nursing Home Compare Web site features a quality rating system that gives each nursing home a rating of between 1 and 5 stars. Nursing homes with 5 stars are considered to have much above average quality and nursing homes with 1 star are considered to have quality much below average.
